

Stay Connected to What Matters Most with Personalization at Your Fingertips

Enovate Medical's Envoy® intelligent mobile workstations maximize productivity for both clinical and IT staff. The Envoy offers a simple, one-touch experience from setting personalized ergonomics to submitting maintenance tickets. State-of-the-art flexible mobile power enhances the nursing workflow for non-stop bedside documentation – all while remaining connected to Rhythm's cloud-based mobile device management system.

PERSONALIZE YOUR WORKSTATION in your native system with FollowMe™ ergonomic height adjustments, universal single-sign-on, Microsoft® Active Directory for secure medication access, and more.

ENJOY FLEXIBLE WORKFLOWS with corded and cordless mobile power from MobiusPower PLUS – all in one power system.

STREAMLINED MAINTENANCE through OneTouch™ ticket integration with your native IT Service Management System (ITSM).

REAL-TIME VISIBILITY to the usage and health of your mobile EHR workstations with room-level accuracy using BLE-enhanced RTLS.

1. Engage Your Patient with Ease

With the SightLine™ arm, your monitor lays flat when pulled forward allowing a clear line of sight for patient engagement, safe transport and seated ergonomics.

2. Increase Quality of Patient Care

EcoFlex™ Power Management reduces patient care interruptions and extends battery life for lower operational costs.

3. Reduce Nursing Fatigue

AutoTrax® Casters follow your lead, automatically engaging for straight-line travel and reduce nursing fatigue.

3 Power Options for the Envoy:

- Traditional Coded
- MobiusPower® PLUS
- MobiusPower®

PERSONALIZATION INTERFACE:

- OneTouch Ticketing
- FollowMe Ergonomics
- Secure Medication Access

USER-FRIENDLY FUNCTIONS:

- Reboot PC
- Keyboard Light
- Battery Run Time

Secure medication access with configurable bins and supply drawers in two-tier and four-tier models with remote PIN management

Enovate Medical offers an integrated approach to manage your entire EHR workstation fleet:

VISIBILITY

Rhythm is the cloud-based system that remotely monitors and manages mobile EHR workstation fleets with real-time visibility across multiple departments and locations.

MOBILITY

MobiusPower PLUS delivers corded and cordless flexible mobile power for changes in clinical workflows from lightweight, swappable batteries.

AVAILABILITY

Uptime Ready Replacement program ensures 100% clinical availability and frees up hospital IT staff to focus on what they do best while we maintain your fleet.

With Enovate Medical, you keep your clinical staff moving, free your IT staff from the hassle of workstation maintenance, and reduce your total cost of ownership. To learn more about the Envoy or to schedule a virtual or live demo, call 888-909-8920 or email at info@enovatemedical.com
