# INCREDIBLY POWERFUL, ASTONISHINGLY LIGHTWEIGHT

## PORTÉGÉ® X30L-K

The hyperlight Portégé® X30L-K from Dynabook proves premium performance and build quality doesn't have to weigh you down. Weighing as little as 904 grams[1], this stylish 13-inch Windows laptop features 12th Gen hybrid-architecture Intel® Core™ processors, up to 32GB of LPDDR5 memory, and an IGZO[2] or multi-touch display. Engineered for strength and durability, this laptop can endure extreme conditions, and easily holds up to daily use by today's on-the-go professional. Beyond capable, the Portege X30L-K packs dual pointing devices, a comfortable full-size keyboard, a variety of common ports and the Wi-Fi 6E for unplugged productivity.

# PORTÉGÉ® X30L-K

**Processor**
Configurable with ultra-powerful and highly efficient 12th Gen Intel® Core™ processors and Intel® Iris® Xᵉ graphics, the Portégé® X30L-K delivers the industry-leading speed, visuals, security and enhanced connectivity features demanded by modern businesses.

**Operating System**
The Portege X30L-K can be pre-configured with either Windows 10 Pro or Windows 11 Pro, two of the most widely utilized and secure computer operating systems for businesses. Windows 11 Pro provides enhanced productivity features that deliver users a more personalized and intuitive user experience. Built on the consistent and compatible Windows 10 foundation, Windows 11 can be managed with familiar tools and processes.

**Display**
Featuring a vibrant, energy-saving IGZO$^2$ display or optional 1080p multi-touch display, the Portégé® X30L-K has screen options for everybody's work style.

**Audio**
The integrated stereo speakers are tuned to deliver fantastic sound quality with excellent depth, while DTS® processing provides a rich multi-dimensional soundstage for movies, music and games.

**Docking**
For maximized workspace productivity, Dynabook offers docking solutions that charge your laptop, support up to four external 4K displays and connect several USB-A accessories with a single-wire connection.

**Keyboard**
Equipped with an all-new, recessed keyboard design with full-sized, raised tile keys and LED backlighting, the Portégé X30L-K offers a satisfying typing experience.

**Performance for Maximum Productivity**
With full-performance 12th Gen Intel® Core™ processor options, the Portégé® X30L-K benefits from the massive performance boost and enhanced efficiency afforded by Intel's all-new hybrid architecture. Configurable with 12 core CPUs, up to 32GB of LPDDR5 and reinforced with ultra-fast SSD, Wi-Fi 6E and Thunderbolt™ 4, the Portégé X30L-K delivers uncompromising performance all day long.

**Connect at a New Level**
Beyond its ultrafast Thunderbolt™ 4 ports, the Portégé® X30L-K features a mix of full-size ports, including HDMI®, USB-A (with Sleep & Charge) and Gigabit LAN for seamless, adapter-free wired connectivity. To maximize the benefits of Thunderbolt 4, Dynabook offers docking solutions that seamlessly connect multiple external displays, as well as a variety of other USB and USB-C® accessories with a single cable connection.

**Premium Takes a New Form**
Featuring a small footprint chassis engineered with premium materials and a 180-degree hinge design, the Portégé® X30L-K is the perfect mix of style, form, function and durability. Housing a vivid 13.3-inch IGZO$^2$ or multi-touch display and a premium backlit keyboard, the Portégé X30L-K is premium from all angles.

**Security Taken Seriously**
The Dynabook Portégé® X30L-K is among the most secure Windows PCs in the world. Featuring a secure mix of hardware, firmware, software and identity protection technologies, it is suitable for mission critical users in even the most data-sensitive industries. Additionally, Dynabook writes its own BIOS, providing an incredibly secure foundation. Further bolstering security, this laptop features face and fingerprint biometric recognition options and an integrated webcam privacy shutter.

**Overengineered For Lasting Durability**
The Portégé® X30L-K was designed to provide years of worry-free operation in even the most grueling work environments. Engineered and tested to MIL-STD-810H standards for endurance and durability, its reinforced chassis design is tough, stylish and helps defend against accidental damage.

**Battery Life Everlasting**
The Portégé® X30L-K features a large 53Wh battery that provides enough power to last well beyond the typical workday$^3$. When not in use, Sleep & Charge technology keeps a USB port powered, allowing the laptop to charge a smartphone and other accessories.

**+care®**
+Care Service® Warranty

**+Care Service® Warranty with On-Site**
The Portégé® X30L-K comes with the Dynabook +Care Service® Warranty$^3$ with On-Site that includes three years of on-site service standard for featured configurations and four years of on-site service for Build-to-Order configurations. With additional access to an extensive service and support network, Dynabook +Care Service warranty helps businesses minimize downtime and reduce IT costs.
